

PALAVER - Willkommen im Ruwertal und auf den Höhen e.V.

Ein gemeinsames Netzwerk der Katholischen Pfarreiengemeinschaft Waldrach und der Evangelischen Kirchengemeinde Ehrang
in der Verbandsgemeinde Ruwer

PALAVER e.V. Encounter and more

A place for refugees
and for locals in the
Ruwer valley and on the heights

PALAVER e.V. helps ...

- when refugees arrive in the villages of the Ruwer association of municipalities
- in the integration of refugees and migrants into society
- in the networking of neighborly help
- in the understanding of old and new citizens
- in setting up civic initiatives
- in cultural work in the vicinity

We are committed people from the Ruwer community, the Catholic parish community in Waldrach and from the second district of the Protestant parish in Ehrang, and we do voluntary work.

PALAVER offers:

- **Contact:** Come to us if you are a refugee who has just arrived in the municipality and need help. We offer advice, arrange donations in kind (furniture, clothing), support in dealing with the authorities and always have an open ear. You can find our opening times in the official gazette of the association of municipalities ("Amtsblatt") and on the front door of the "PALAVER" at Hermeskeilerstraße 26 in Waldrach.
- **German in everyday life:** In order to really settle in and get by in Germany, it is necessary to learn the German language. Volunteer teachers offer language practice for everyday use.
- **Psychological consultation:** In the PALAVER you can receive professional psychological support free of charge. Invited are people having to cope with great stress as a result of their flight, as well as those supporting the people who have fled. Just come to the office hours on Mondays or give us a call (06500/2282341).
- **Café PALAVER:** The café is a monthly open meeting place for refugees and locals. All interested people are welcome! The dates will be announced in the Official Journal of the Association of Municipalities, on Facebook and on our website (<http://www.netzwerk-willkommen.de>).
- **Cultural work:** The PALAVER is the organizer and host of cultural events. In cooperation with people who live here, we offer a place for the presentation of music, literature, social and ecological issues. Our principle is: All events are free of charge!
- **Social commitment:** PALAVER stands for an open and democratic society. We support events that serve this goal. PALAVER e.V. is a member of the accompanying committee of the local coordination office of "Living Democracy".
